"The unconscious activities of the mind would show the path of royal roads."

## Introductory ventures

Students performed zealous activities on the introductory day such as classroom games, preparing gifts and so on.

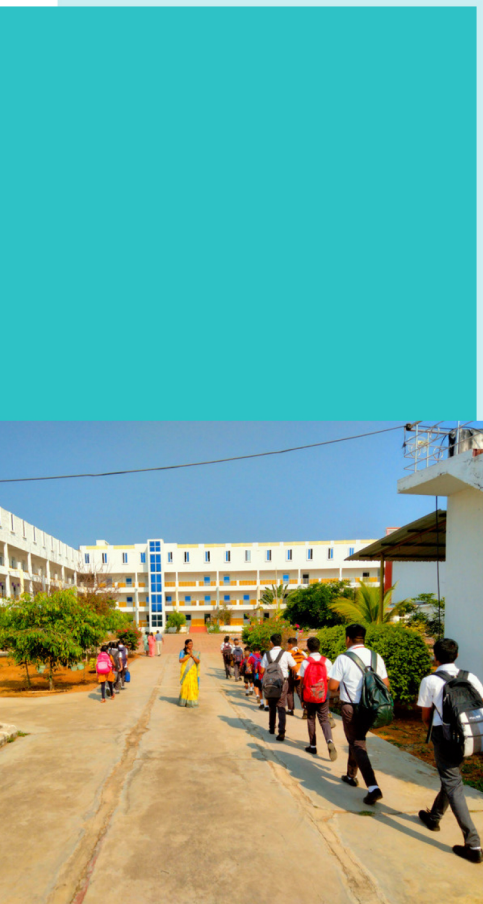

# APRIL MONTH –2023

# BODHI

## NEWSLETTER

### Insignificant inception 2023-24

The new academic year 2023-24 required tremendous surprises and attractions. The school was totally materialised with decorations, gifts and with take aways.

## INSIGNIFICANT INCEPTION 2023-24

Firstly, students were welcomed contentedly. Great strength of our family was newly arrived students. They were welcomed with velvet roses that symbolized the delight of care and affection.

# REOPEN DAY ACTIVITY

A cheerful welcome helps students for a positive start to their school journey, An exciting, successful and happy experience of the first day was organised as a "Welcome day " for our students who have stepped up for their new academic year. The entrance was decked up with colourful balloons .

The Principal Mrs Thilaga welcomed the students in our usual Velammalian culture.

The children were overwhelmed by the decorations.Children were engaged with various motivational activities. The speech of Mr. Gopinath on self-confidence was screened to the children. At the end of the day children were presented with "Takeaway gifts". The celebration has built a foundation for positive relationship among the children of different age group.

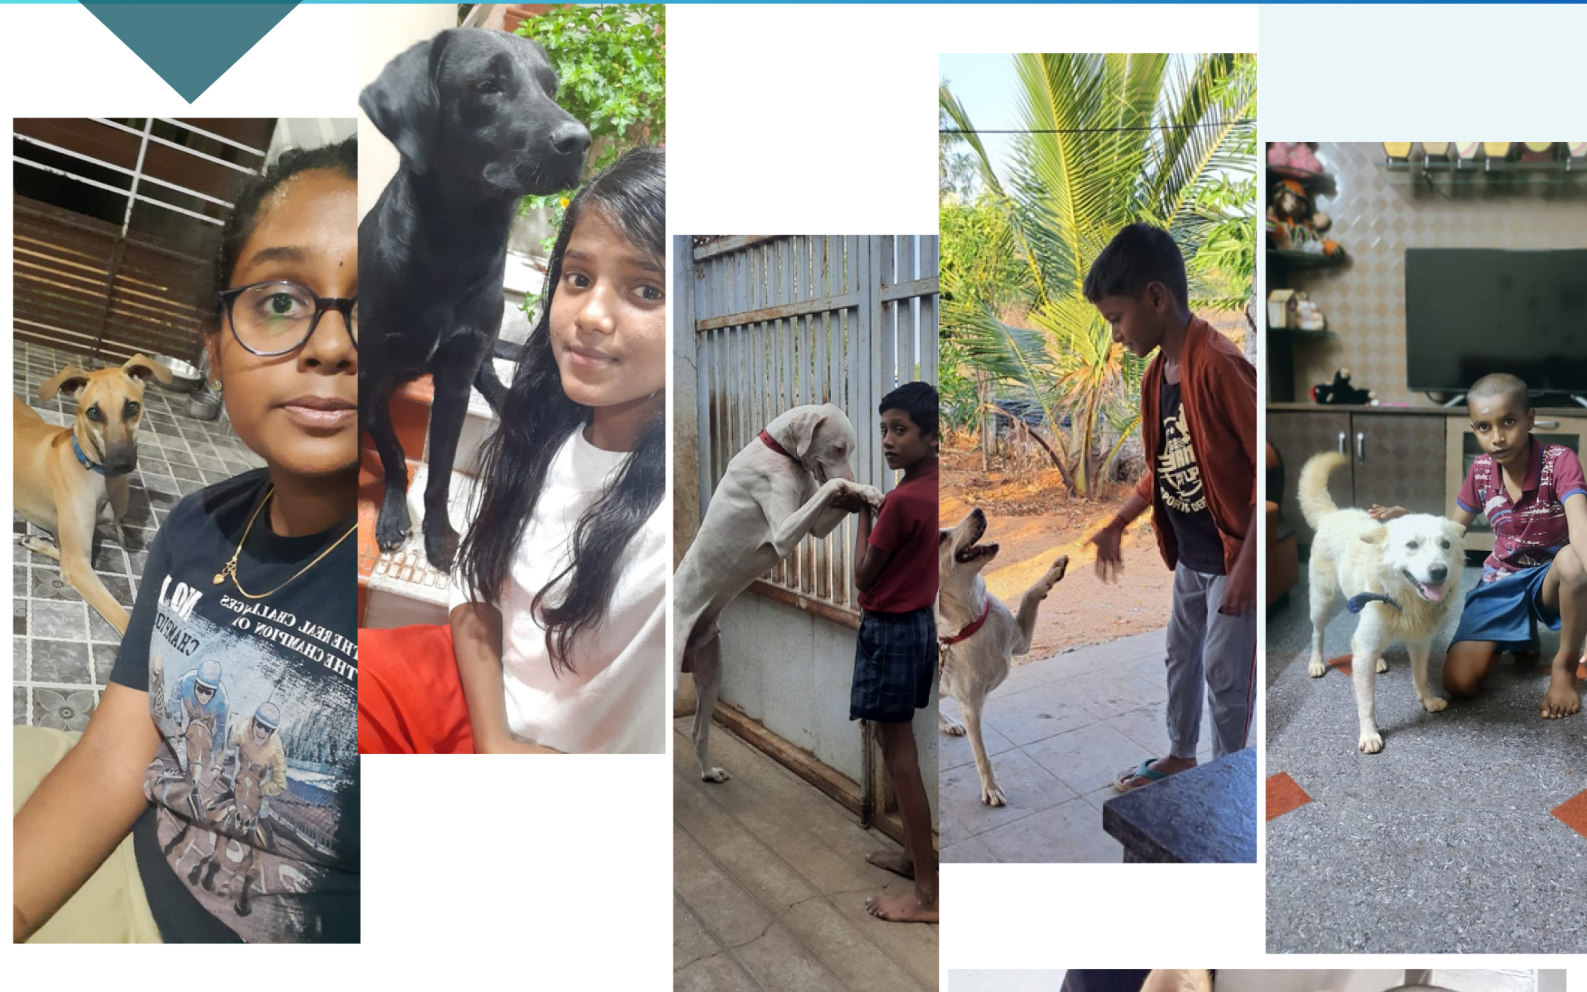

# Kinfolks day

Safety spaced righteously reasoned, sharingly secreted, joyfully elated, funnily played, sweetly loved, promisingly related. Siblings of VBC, Dindigul were asked to dress-up with same attire and colour. They were wished by the school in the school assembly. Finfoles held their hands and walked about. Chocolates were distributed by the Principal. Fin folks received appreciation from Director's desk as well.

# NATIONAL PET DAY

We acknowledged the joy that pets brought into our lives. Adoption of pets are also encouraged among the public, who can be benefitted with cardiovascular health and decrease in cholesterol and blood pressure. Best students selfie with their pets were appreciated with three places of prizes.

**"Shape the world of success with the soft touch of brain and fingers."**

**Dindigul campus brainiest students modelled the leaders features as a part of inspirational and motivational legends ideas, who still be the reason for the independent India.**

**I CAN DO IT - APRIL  
MONTH**

# I CAN DO IT

## DRAWING

**"Every child is an artist" - Pablo Picasso.**

Keeping this in mind and to explore the creative potential in the young minds of our children, an intra- school drawing competition was conducted with the theme "Natural Sceneries and Flowers."

The children from grade 1 to grade 5 have showcased their creative skills in drawing and colouring and the result was 'amazing art work'.

This fun filled activity witnessed an enthusiastic participation by all students.

## DEBATE

**"Healthy debate is better than gossip, you inculcate and thrive that's the logic" - Gourav Prathap Singh.** Inter-school debate competitions are an excellent platform for students to showcase their critical thinking, public speaking, and analytical skills. Such competitions are not only important for a student's academic growth but also plays a significant role in their personal development. It helps to boost their confidence. Here our children from grade 3 to grade 5 have actively participated in debate competition and proved their talents.

## QUIZ

School quiz competitions are exciting events that test the knowledge and intellectual abilities of students. Our children from grade 3 to grade 5 have participated in the quiz competition. These competitions offer an opportunity for students to show their intelligence and compete with their peers.

# ART INTEGRATED ACTIVITY

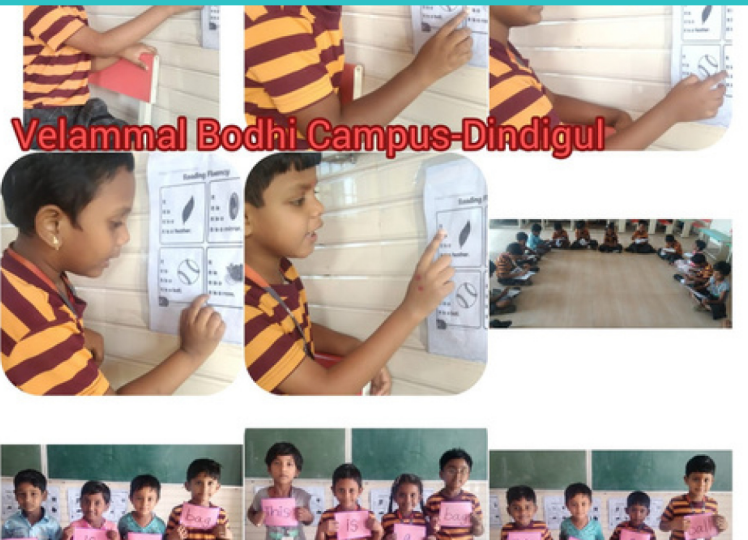

## SPOKEN ENGLISH ACTIVITY

" Today a reader tomorrow a leader "

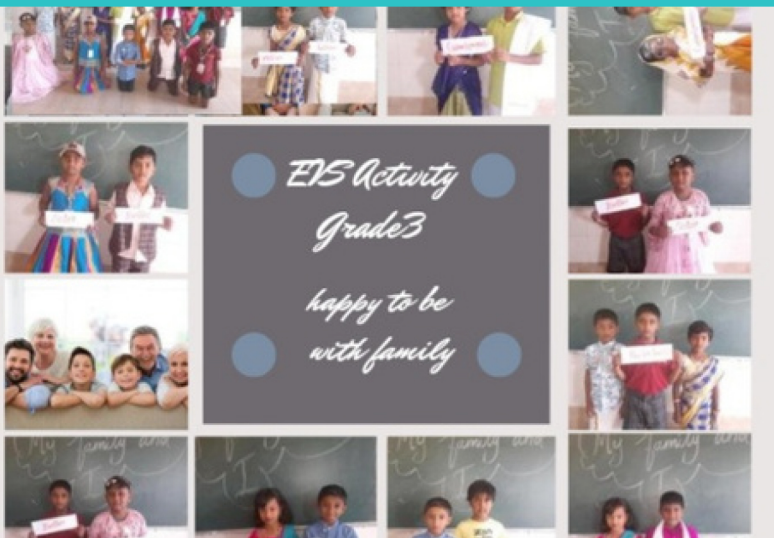

Reading and spoken activities were conducted as a part of Bridge course training, inculcating the basic language skills of the students from grade 1 to grade 5 in the April month.

## READING ACTIVITY

Velammal Bodhi Campus-Dindigul

"The family is one of nature's masterpieces." – George Santayana

Family first! This activity encourages students to think about families and how joint families and nuclear families can be.

# Introductory ventures

The students were engaged in the classroom activities. Their individuality and the spirit of team seemed to have plenty of enthusiastic astonishments. The winners were honoured with pride. Students learnt to be active, aggressive in completing the assigned ventures.

## CAMPUS TOUR

# KG GRADUATION CEREMONY

**"Every child is a born genius."**

**"Children see magic because they look for it". It was absolute charm that glowed on our beautiful kindergarteners for they have seen the magic in learning. Their dream came true on Graduation Ceremony which paved way for our little buds to bloom into a colourful flower.**

**Our children also took pride in showcasing their talents through dance, song, recitation etc. An outstanding expansion of alphabets in relation to our school academics and its activities were displayed by our grade 2 kids. "The best view comes after the hardest climb". And that best view and the hard path of our chairman is building Velammal Educational Trust was narrated by our grade 4 kid.**

**"Appreciation can make a day, even change a life". To change the life of our cuties, we appreciated everyone remembering their cherishable little deeds. Our kindergarteners also did a beautiful rampwalk with the dresses made out of waste things in order to create awareness.**

**On the whole it was a dazzling programme bewitching the audience with eye-catching performances.**

# COUNSELLING SESSIONS

"Helping one person might not change the whole world but it could change the world for one person." Mrs. Bharathi, Psychotherapist counselled the girl students to follow five goals like- know to say 'no', Don't believe strangers, dress up decently, travel elsewhere with parents only and not to allow anyone to touch. Students learnt to keep themselves safe. They were also questioned by her to discover the truth. They were amused to reap the benefits of the counselling session.

## CAREER PREP COUNSELLING

Mr. Vaja, a professional lyricist explained the courses related to career opportunities in Arts- the benefits, best colleges in different countries, salary packages, etc., The passion of learning differs but satisfaction is real way to success. Everyone should work/study with passion and liking. Students enjoyed knowing about voice artists, photography, singing, etc., It's a stress relief profession according to the guest.

# CIRCLE TIME

Circle time activity has a tendency to have their imagination which lead them away from the task at hand. Everyday Our JKG and SKG kids enjoy deeply to attend the circle time activity. It can help children grow stronger with their peer. It also develops speaking and listening skills, bonds between the children and help them in building their self-esteem.

"IT IS A HAPPY TALENT  
TO KNOW HOW TO PLAY"

# VBCD - TECHFETE

## TECHFETE ACTIVITIES

**Technology is the application of knowledge for achieving practical goals in a reproducible way. We are changing the world with technology. This technical knowledge was imbibed to our primary kids through the programme 'Techfete.'**

# METIER CLASSES

The insignificant inner appearance can be represented in the face of art. It is marvellously expressed in the work of art by the Dindigul Bodhiyans art class. The tiny fingers pin the ideas in the structure of art, with pencil and attractive colours are flattering the minds of the viewers.

## ART BY YOUNG WORLD READERS

A simple scene has more to portray in the lands of a unique personality who sees them with in-depth ideas and suspicions. That's why artists are able to see anything in the way that measures with the eye as a tool. Students are picked for their talent and the feel of touch in their artistic work who make the spectators to become overwhelmed.

## PRAISE THE FIRST COMER >>>

Sportively stretch the muscles, boldly bare the bones to show the expansion of your confidence carefully, to fit the place of sports. Pranesh has won the Mini roll ball league, State level securing the first place and takes the hilarious applause from all of us.

## T'S OF SAFETY AND SECURITY >>>

Traffic department staff motivated the drivers, scavengers, Janeters and workers to follow the T'S of safety and security. They were insisted to do their duty of feeling safe and secure with caution and sincerity. The Principal addressed them and explained the responsibilities of driving and handling the work.

# »» REGIONAL SEQUENCES

"A LITTLE PROGRESS EACH DAY ADDS UP TO BIG RESULTS"

Regional rankers produced the value of hard work and have proved their efficiency on the whole. Students have been congratulated for their best exertion. They promised to prove themselves with the high score in the upcoming examinations.

Words are weapons for a person to hold the strength, to share the content with lots of choosy, icy words to attract the audience. The structure of the content and the modulation of the expressions flies in the air of Debate with voicy performance. Enthusiastic participation by the students were the steps of reaching the next level.

## »» TECH FETE PROGRAMME

The drastic welcome of techfete programme was amazingly undertaken by the Bodhiyans of Dindigul. They were interested to know the knowledge of coding, the technical developments and the future benefits, that upgrades the society.

# GIRLS COMMITTEE MEETING

"Dear girls, Stop looking for a partner. Focus on your goals and rebuilding your life. The right person will eventually find their way to you".

The Principal addressed the students to be disciplined in the campus and at school. They were also assigned with the work to speak, listen and question their Grandparents to share their young age games, extra curricular activities , food habits, passion, etc., which should be written as an article and has to be shared in the next Girls Safety Committee meeting.
