# BODHI CAMPUS

Dindigul

## Bodhi Utsav

**Utsav means a festival celebration or any joyous occasion. It also carry the meaning of delight merriment and pleasure. Bodhi Utsav, was really a merriment for the Dindigul campus where the children showcase their talents in all the competitions.**

## Halloween dance

Children of JKG and SKG took part in this competition. The venue was lively with dynamic and spectacular full scale dance performance.

# Tribal dance

**The tribal society is essential a self contained system while it may possess sophisticated culture and social structures.**

Tribal dances are an essential part of many cultures, and they often reflect the symbolism and beliefs of the tribe or culture that performs them. Whether it's a celebratory dance or a mourning dance, these ceremonies are often filled with importance and are a vital part of the culture.

Tribal dances are a fascinating part of the world's history and culture. They are also an essential part of tribal ceremonies, and as such, they are a necessary part of the fabric of tribal life. Dancing is a way of expressing oneself and communing with the spirit world, and it is through the dances that tribes pass on their traditions and culture to the next generation. Our Dindigul Grade one Velamalian performed Brazil tribal dance, which has brought laurels to the campus. Our students had enjoyed the tribal dance with extreme happiness.

# Mime

Mime is an art or a technique of portraying a characters ,mood, Idea or narration by gestures on body moments. In bodhi Utsav our students mime was remarkable spreading impact on good habits.

# I can do it

**“The best part of competition is that through it we discover what we are capable of and how much more we can actually do that we ever believe possible”**

I can do it was a gateway for the children to hone the public speaking skill and competitive spirits. Book review, story reviews, story telling were some of the competitions conducted.

The program was Kaleidoscope of thoughts, views and criticism.

Fireless cooking clay Modelling and ad-act were the competition, which most of the students. It provided a platform for the student to foster their creative and decision making skills Which also to demonstrate their culinary knowledge and skills.

---

---

# My Happy Childhood

An orientation to child rearing named “My Happy Childhood” was conducted for the parents of JKG to Grade 5.

All have responsibility to take proper care for children to commit themselves to their development and to prepare them for the future. The program empowered the parents in dealing with difficult situation and to give the children proper guidance in hygiene diet screen time etc. Mr.Shathyaseelan gave a solution to the parents about the dilemmas and challenges.

---

---

# Mathematics

**"Mathematics gives us hope that every problem has a solution"**

In an effort to lay a strong foundation of Mathematics Math club activities were conducted. Egg carton multiplication, tan animals activity or some of the activities which led the children to learn different topics.

The activities enhanced the thinking and Math problem solving skills of the young ones, the club activity were really a success in intriguing the students about the exciting world of Mathematics
