NEWS LETTER

2023

MARCH

PROMISING SUCCESS OF OLYMPIAD

Students felt very happy to write olympiad and other competitive exams, to improve their application based knowledge, understanding concepts to the core, helps the students to face the competitive world to enrich their learning skills in National or International levels.

A STEP TO THRIVE ARTIFICIAL INTELLIGENCE

Middle compartment students attended online session along with Dr.Gnanasekar Dean of Savitha School of Engineering ,explained about the simplest form of artificial intelligence that combines Computer Science & Robots data sets to enable problem-solving. Students questioned about the natural disaster and its solutions, discussed about believing machines than manpower.

CERTAINTY OF MATH CLUB

"One of the endless alluring aspects of mathematics is that its thorniest paradoxes have a way of blooming into beautiful theories. Just because we can't find a solution it doesn't mean that there isn't one ,Mathematics is in its way the poetry of logical ideas. It is a gate and key to science. So VBC Dindigul campus conducted wonderful Math club activity in the concepts of Rangometry, Mensuration etc.,

UMBRELLA DAY

"Umbrellas in beautiful colours have the power to paint the world colourful"

The day honours one of the world's most useful inventions, The umbrella not only keeps us dry from the rain, but it also protect us from the heat of the sun. Our KG children celebrated the national 'Umbrella day' on Feb 10 in our school campus. The day opened their mind with thoughts about the origin of umbrella as they did different activities like colouring, crafting and fingerprint.

NATIONAL SCIENCE DAY CELEBRATION

On the occasion of National science day our school students were engaged with poster making to spread a message about the importance of science used in day-to-day life of the people. The model of human parts and other science inventions were screened to the students to gain a knowledge on science and technology

>>> AMBITIOUS VISTO

Visto is one of the most reputed examination conducted by Velammal group of schools. Till the secondary school level, exams are being conducted twice in a year.

It benefits the students to improve their competitive skills. This prestigious exam is a gateway for the students to enhance their concept based knowledge.

>>> BIOLOGY ACTIVITY

By doing this activity students learnt about importance of microscope and how to handle it because it is an alternative method for book reading, rote memorization and other passive forms of learning. Instead they provide hands on experimental learning that ignites a sense of wonder and builds natural curiosity.

Without microscopes several diseases and illness cannot be identified and cured. So students felt so happy while touching and using it.

FITNESS TEST <<<

Students were found to be with less immunity before few months and were suggested to take healthy food. For the second time they underwent with blood test. Bodhi always takes care of both academics & ensures healthy being.

>>> NATIONAL SCIENCE DAY CELEBRATION

Middle compartment students learnt acid-based reactions, organ models & specimens to enlighten the futurist with the connectivity of reasoning from the past to the present and with the technology of tomorrow by following Sir Chandrasekhara Venkataraman.

PHILATELY ACTIVITY

“BE LIKE A POSTAGE STAMP. STICK TO ONE THING UNTIL YOU GET THERE”

‘Philately- the study of stamp’. The term philately also denotes the collecting of stamps, envelopes, postmarks, etc. Children from Grade III to Grade V were given topics for stamp collection. The activity enhanced the children to learn about cultures, currencies and landmarks of other countries.

TAMIL ACTIVITY

Nothing beats the satisfaction of having a sumptuous meal served on a greenish-yellow banana leaf. Students of Gr. 10, learnt the benefits of eating on it and the South Indian tradition.

It is rich in antioxidants and supports proper digestion as well. Banana leaves are eco-friendly and easy in decomposition too. Students enjoyed sharing lots of varieties and eating along with friends.

THEMATIC NOTICE BOARD

Notice board is used for the purpose of displaying notices. It is usually seen in schools to show what students have done or used as a means of communicating a message with the students.

Classroom notice boards were innovatively decorated with the encouraging quotes, amazing craft works with an individual theme. It made a positive impact to the children to be vibrant inside the campus.

GIRLS DISCIPLINE DELEGATION

Spontaneous Girls from Grade 6 to 9, attended the discipline delegation meeting. The committee delegates instructed about respecting elders by joining hands to wish, perfect dress code, cleanliness, hygiene, hospitality and girls safety. Girls felt confident enough and promised to share their queries with liberty.

ONLINE ADMONISHING SESSION

Mrs. Bharathi, Psychotherapist encouraged the students on the topic "What you would like to be? Warrior or Worrier". Students understood that life is simple with all possibilities.

ONLINE ADMONISHING SESSION

The essential element of any skill is the ability to implement sequences of choices to achieve objectives. This session was related to healthy food and cooking. The guest suggested to learn cooking and to eat healthy ones. Varieties of rice were introduced and discussed.

KG AUDIT

Two-thirds of the Earth's surface is covered with water. The other third is covered with auditors from headquarters.

The purpose of an academic audit is to encourage departments or programs to evaluate their education quality processes. We had a KG audit on March 15th. The teacher taught birds and its features.

They did activities such as puzzles, colouring, etc. From this activities the children learnt to protect the birds from endanger and how to take care of the birds in summer season by providing water, food, etc. It was very helpful and beneficial to the children.

GRITTY GIRLS CODING CONTEST

Velammal Bodhians are being well trained to follow gritty so as to resist complacency. Girls empowerment is the motive of our honourable Directress Mrs. Geethanjali who has taken the initiative to bring the drastic change in an individual for personal protection, career and economic success. This platform supported every child to grab the chance to evolve as a creator instead of being nearly a consumer of Computer Science.

DHAKSHIN BHARAT HINDI PRACHAR SABHA

Model exams were conducted at school premises for the levels 1, 2 & 3. Students had an opportunity to learn & write the exams to get an idea about main exam that was successful in the following week. Many other students have started enrolling their name for the next set of learning. This effort would definitely equipped a child's capability to learn more skills and excess values.

QUESTACON

The combination of two words means to discover and to study.

Students enthusiastically participated and proved their ability in solving the mathematic calculations.

BUNNIES

Don't Worry Be HAPPY .STAY POSITIVE!

Let happy thoughts hop like rabbits!
Bunnies of JKG to Grade 2 had the bunnies activities throughout the year which aimed at creating love for God, nature, developing habits of personal cleanliness and social manners.

CUBS & BULBULS

"Should be adopted and practised".

Cubs and bulbuls is the next lap in the journey towards scouting and guiding after Bunnies. Character building is its aim. Students of Grade III to Grade V are love to attend this activity every week. Various games were conducted to build children towards scout and guide.

LAUREATE ACHIEVERS

Winners are willing to longer, work harder, and give more than anyone else. Bodhi takes the honour and congratulates the Bodhian excellencies Moulivarshan, Shaline and Anusuya devi for bringing laurels to our VBC, Dindigul.

PRIZE CORNER

Every week our school principal appreciates the students in various disciplines like weekly performance, award winning, best assembly team, best handwriting, best speakers of English etc.

There are lots of reasons to appreciate teachers: Their support, kindness, ability to teach kids and dedication.

VBC-DGL not only encourages the students but also the teachers for their career growth.

“Appreciation can make a day, Even change a life. Your willingness to put it all into words is all that is necessary.”

APPRECIATION CORNER

“SELF-BELIEF AND
HARDWORK WILL
ALWAYS EARN YOU
SUCCESS”.

CAMBRIDGE EXAM

Cambridge English
Qualifications are in-
depth exams that make
learning English
enjoyable, effective and
rewarding.

The unique approach
encourages continuous
progression with a clear
path to improve language
skills. Our students
appeared for the exam and
received positive
comments from the
externals.

LEVEL WINNERS

GREAT

MONTHLY CARRY OUTS

Appreciation is the biggest blessings. For this memorable proud event, students were selected from all classes and teachers of our school were praised for their navigation to the next level in areas like, spoken, written, discipline, hard work, perfect uniform, homework completion and so on. To encourage the quality of Bodhi, Dindigul eventually.

SLOGAN ACTIVITY

‘A Slogan is a word or phrase used to express a characteristic position or a goal to be achieved’. Our school children from Grade 1 to Grade 5 were eagerly indulged in sloga classes to remain calm, stress free and revitalized.

SINGING CLASS

Singing is considered as the most adorable art form in human history. It creates a unique atmosphere without interference from the toxic reality of a materialistic world. Taking singing lessons is an impressive way to connect with others, letting out your emotions, and humming your lullaby with your inner child.

This is not only heals the inner soul but also the articulation. Children of Velammal Bodhi Campus, Dindigul took the classes with the great enthusiasm.

ANNUAL EXAM

Summative assessment 2 was started with examination prayer & good luck. Students of VBC Dindigul have written well by giving their best efforts to get the crown of success. Invigilators graded the answers script as A,B & C for handwriting and presentation. Likewise before the submission of answer scripts invigilators checked whether students have attended the whole of the question paper and made the checked sign mandatory. Students were amazingly cautious in presenting the paper with proper cursive writing and attending all the answers.

PARENT TEACHER MEETING

The welfare of kid is being followed by parents & teachers. Parent Teacher Meeting supplies grate opportunity to know the in and out performance of the ward with answers scripts & report cards. The nature of the child is different in school and at house as well. The massive changes tune the students personality and bring holistic in nature.

TEACHER LANGUAGE FINERY PROGRAMME

"Believe the believers" Teacher's enrichment program was organised by the Principal to develop the English language perfection in both writing and speaking skills. The Team cooperated well and learnt perfect English. More programmes are planned accordingly for the academic year 2023-24.

Newsletter

I CAN DO IT

Students trust themselves that they can do and get anything. March month competition were held and students participated energetically like Ad-Act, etc., and proved their talents.

MATHS OLYMPIAD

Maths Olympiads are held all around the world to recognise children who excel in maths. The test is offered at many grade levels and provides students with numerous possibilities to win certifications, awards, and even scholarships for higher studies. Our children also participated and got the medals

CO CURRICULAR ACTIVITY

SCOUT AND GUIDE

Scouts and guide students were given training to climb the rope. Its motive is to provide a full body workout. It stabilizes the instability and movement of the rope, it requires oneself to engage his/her core muscles, that helps to create stability and keeps oneself centred. Students felt it as a different experience.

PHYSICAL RECREATION

"Sports is believed to be in one self who can bring out the possibilities of discipline and sincerity with an enormous flow". Muhilan Academic arranged kids athletic 2023. Our students were welcomed from KG to Grade 8 to take part in the competition. Students brought laurels to our school with lots of shields, medals & certificates. It was a great platform to sow the seed of confidence in children and develop a sense of improvement. This tends to develop the cognitive and memory functions of the brain helping our students to perform better in academics as well.

An athlete cannot run with money in his pockets. He must run with hope in his heart and dreams in his head."

WOMEN'S DAY

"Every woman's success should be an inspiration to another. We're **STRONGEST** when we cheer each other on."

It was a magnificent day as the Velammalians hand held with women toilers of Canara Bank to celebrate the day. They exchanged not only the gifts, greetings and garlands but also love and affection. It was a great juncture!
